

Birds of a Feather Table

Chair: Joan K. Lippincott is the Associate Executive Director of the Coalition for Networked Information (CNI), a joint program of the Association of Research Libraries (ARL) and EDUCAUSE. CNI, based in Washington, DC.

About The Session: Due to time constraint, many proposals couldn't be accepted for presentation. Therefore, keeping varied interests of participants in view, during lunch time **on 5th and 6th November, 2015** we invite all conference participants to join a discussion table (birds of a feather) of their choice.

You will find many of the tables labeled with a topic. Arrangements for 8-10 persons per table are likely to be available during the conference.
