

# *ETD 2015*

*4<sup>th</sup> - 6<sup>th</sup> November, 2015*

*Chair ETD 2015*

Dr. Ramesh C Gaur

University Librarian, JNU

**Chairperson - Session Chairs Committee**

Smt Kalpana Dasgupta, Former Director, CSL

**Convenor - Session Coordinators Committee**

Dr. Lata Suresh, Director(Library), IICA

**Rapporteur General**

Dr. Sangeeta Kaul, Network Manager, DELNET

**Convenor - Rapporteurs Coordination Committee**

Dr. Nabi Hasan, Dy. Librarian, IIT Delhi

**Convenor - Speakers Coordination Committee**

Dr. Parveen Babbar, Dy. Librarian, JNU

**Convenor - Poster Presentations**

Mr. Sanjeev K Sunny, Asstt. Librarian, JNU

## ***Tentative Programme***

**3<sup>rd</sup> November, 2015**

**NDLTD Board Meeting  
( For NDLTD Board of Directors only)**

Venue: Committee Room, Central Library, JNU

**(9:00 am to 5:30 pm)**

***Registration***

**02:00 pm–05:30 pm**

## Day 1 – 4<sup>th</sup> November, 2015

Venue: Convention Centre, JNU

### *Registration*

08:00 am–09:30 am

### **Workshop - I**

09:30 am–01:00 pm

| <i>Workshop 1(A)</i><br>Workshop on ETDs for Beginners                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | <i>Workshop 1(B)</i><br>Best Practices in ETD Lifecycle Management                                                                                                                                                                                                                                                | <i>Workshop 1(C)</i><br>Trends and Opportunities in Retrospective Digitization of Theses & Dissertations                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

Brazil: Ana Pavani, Pontifical Roman Catholic University of Rio de Janeiro. Topics include rationale for sharing resources and best practices, how to form ETD networks with colleagues in your region and tips on how to organize regional ETD Associations and activities.  
11:15 – 12:00 (45 minutes)

- **ETD Metadata / Union Catalog / IR Consortium Networks**  
Presenter: Hussein Suleman, University of Cape Town. Topics include breakdown of ETD metadata fields, its importance in uniform application and usage for distributed collections as well as best practices for integrating multi-institutional IR networks. 12:00 – 12:20 (20 minutes)
- **ETD Implementation – Lessons Learned**  
Presenter: Charles J. Greenberg, Wenzhou-Kean University Library Interactive segment includes topics on lessons learned from individuals with ETD/IR program experience – addressing audience concerns.  
12:20 – 12:40 (20 minutes)
- **Discussion / Wrap Up by Moderator, Panellists and Audience**  
12:40 – 13:00 (20 minutes)

(11:20 AM – 01:00 PM)

**Session chairs:**

(names in alphabetical order)

1. Dr. B.M. Pange, UL, University of Pune
2. Dr. Manju Naika, Asst. Librarian, IIT, Bombay
3. Dr. Yogesh Parekh, Offg. Librarian, Gujarat University, Ahmedabad
4. Dr. Shailesh R. Yagnik, Head- LIS, KEIC, MICA Ahmedabad

**Sessions:**

- **Lifecycle management of ETDs in Management Institutions.** Presenter: Dr. Swati Bhattacharya, Librarian- Indian Institute of Management, Calcutta  
11:25 am – 11:50 am (25 minutes)
  - **Why Should Technology Institutions in India and the world Publish ETDs**  
Presenter: Dr. B. Sutradhar, Librarian, Indian Institute of Technology- Kharagpur  
11:50 am – 12:10 pm (20 minutes)
  - **Case Study 2: Digitization of Doctoral Theses & Dissertations at Smt. Hansa Mehta Library, MS University, Baroda**  
Presenter: Dr. Mayank Trivedi, University Librarian, MS University, Baroda  
12:10 pm – 12:35 pm (25 minutes)
  - **Importance of ETDs and its Impact on Research – A Mixed Experience**  
Presenter: Dr. D.B. Ramesh, Chief Librarian, Siksha 'O' Anusandhan University, Bhubaneswar  
12:35 pm – 1:00 pm (25 minutes)
- Q&A/Discussion**  
Time: 1:00 pm – 1:15pm

Session Coordinators  
Ms. L M Kaini, JNU  
Md. Tariq, JNU

Session Coordinators  
Mr. Mahesh Chand, JNU  
Mr. Amar Yadav, JNU

Session Coordinators  
Ms. Anindita, Proquest  
Mr. Prathap, Proquest

**Lunch**  
01:00 pm–02:00 pm

**Workshop - II**  
02:00 pm–05:30 pm

|                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                   |                                                                                          |
